

Minutes of the RPA 15 Technical Advisory Committee Meeting
June 17th, 2026

TAC Committee Members Present:

Andrew McGuire	Ryne Thornburg
Dewayne Heintz	Philip Burgmeier
Brad Skinner	Ashley Utt
Richard Daughery	Rick Tebbs

Others Present

Hector Hernandez-Morales – RPA 15

Call to Order. Hernandez called the meeting to order at 10:00am.

Action Items

Review of Minutes Thornburg made a motion to approve the minutes as presented; Burgmeier seconded the motion. All aye, motion approved.

Transportation Improvement Program— Transportation Improvement Program: Revision: Hernandez-Morales said no application or request was received, proceeding to next agenda item.

Transportation Improvement Program -Review and Recommend approving the 2027-30 Transportation Improvement Program. Hernandez went over the Transportation Improvement Program also known as TIP. The public hearing is set for June 25 at 11AM. Hernandez went over existing TAC and Policy members, description of the TIP revision process, financial constraint summary, Surface Transportation and TAP Fund History, Project status report of 2026, and project maps. Thornburg brought up the status of project ILL-C089()—8289 and ILL-C054()—92-54 funding for Keokuk and Van Buren will need to be rolled into FY27 since they were not awarded. Hernandez noticed the FY was incorrect on the project maps and will update on TIP final. **Burgmeier made the motion to make the recommendation of approval for the Transportation Improvement Program. McGuire seconded the motion. All Aye. Motion carried.**

Review Items

Status on active STBG/SWAP and TAP projects. No new updates.

Regional Trail Plan update for 2026: Hernandez-Morales went over the new updated Regional Trail Plan. Targeting review/public hearing in July/August and final approval date in September.

Adjourn. Meeting adjourned at 10:32 AM
